The Friends of the Rockaway Township Free Public Library (FOL) is a group of volunteers who are interested in supporting and promoting our excellent library, as well as its programs, books, resources, and technology.

One of our goals is to increase community awareness of the library and all it has to offer its members. We also want you to know the many things that are funded and/or otherwise supported through the FOL.

Changes in the economy have resulted in budget reductions at the library, as well as personal hardships for many in the community. The FOL is working in concert with the library to minimize the impact budget reductions are having on resources and services provided to the community and to continue to support the needs of residents.

We are grateful to the many of you who contribute through money generated by our book sales and other donations. We would like people to contribute their TIME and SKILLS as well as money! If you would like more information about becoming an **Active** Member of the **Friends of the Rockaway Township Free Public Library**, please contact us by mail, Facebook, or attend a meeting.
