The Gas Company has on hand some gas heaters and also a few gas cooking stoves which, while they last, can be sold at the regular prices. Prices on all these goods, including the gas water heaters, have advanced already for the year 1903 from 50 cents to $1.00. Come early and avoid the increased price.

There's one thing you, dear customers, whatever you are a LEHMAN price, no matter how low, have been paying for a long time. That is the LEHMAN price. We are happy to be able to offer you the same quality at the same price, and still be able to offer you the same quality at the same price. Our Quality of Substitution may be considered.

MURDER AND SUICIDE: RESULT OF LONG STANDING SCANDAL.

James T. Eckhart and Mrs. Minnie Hill, Victims of Saturday's Double Tragedy.

RECENT EVENTS THAT MIGHT HAVE TURNED THE SCALE.

The January Bargain purchasing period is drawing to a close. During the next few days we will offer greater values than those which marked the selling of the now famous first two weeks.

We are determined to make this wonderful Clearance a great marking period in the merchandising history of New Jersey. For us to endeavor to elaborate upon the trade advantages of the next few days would be a task too great; our capacity to offer these in a wide range of goods for present or future use is to make a personal invitation of our claims — indeed, the proof of a true bargain is in the selling — no one will gain the fact that WE ARE SELLING THE GOODS!
