Parents' Supper Successful Event In First Effort

High School Orchestra Hosts Second Annual "Portas of the Panorama"

The first of the series of the Parents' Supper, which was held in the Great Hall of the High School last Thursday night, was a success. The supper served by the Mothers' Club was complimentary, and the food, which was prepared by the home economics department, was excellent. The music, which was provided by the orchestra, was also a highlight of the evening. The event was well attended, and the atmosphere was lively and festive.

Will Your Child Get Through Winter with Sturdy Legs, Sound Teeth and No Hints of Rickets?

By Terry Lynne

Winter is a time when children are particularly susceptible to the effects of vitamin D deficiency. Vitamin D is necessary for the absorption of calcium, which is essential for bone growth and development. Inadequate vitamin D intake during childhood can lead to rickets, a disease characterized by soft and deformed bones.
